

Sage 300 ERP

Edition Overview

We believe your ERP solution should support your business strategy—not hinder it or force you to buy too much too soon. That's why Sage 300 ERP (formerly Sage ERP Accpac) offers scalable editions on which to build your business. If your business plans involve adding more employees, supporting multiple or global operations, diversifying, or offering new services, Sage 300 ERP provides a strong foundation. Choosing Sage 300 ERP gives you the flexibility to build the best possible solution for your business by giving you the freedom to select the edition (Sage 300 Standard, Advanced, and Premium ERP), database, modules, deployment method, and payment options that keep your total cost of ownership as low as possible.
